RE: Ohio Republican State and Central Executive Committee
2000 July Quarterly Report (4/1/00-6/30/00)

Dear Mr. Maxwell:

This letter is in response to the Commission's request for additional information regarding the above referenced reporting period. An itemization follows:

Schedule B supporting Line 29 of your report discloses \$93,852.90 in transfers to what appears to be your non-federal account to "correct state alloc." Please explain

- *The transfer on 6-30-00 in the amount of \$40,602.90 represents a corrective entry for allocations previously made from our non-federal account to our federal account for issue advertising dated June 12, 14, 16, 2000.*
- *The transfer on 4-25-00 in the amount of \$53,250.00 represents a corrective entry for payments made directly from our non-federal account for generic get out the vote activities which had been paid wholly with non-federal funds in 1998. We became aware of this oversight on behalf of the federal account and the amount of \$53,250.00 represents the federal portion of those expenditures.*

____ Please amend your report by providing the purpose for each disbursement. _____

____ itemized on Schedule H4 supporting Line 21-(a) _____

- *Please find attached page 1 of 5 of our Schedule H4 indicating that these are memo entries*
